RECITALS

WHEREAS, Assignee and Assignor, among others, are parties to that certain Asset Purchase Agreement dated of even date herewith (the "*Asset Purchase Agreement*");

WHEREAS, capitalized terms not defined herein shall have the meanings ascribed to them in the Asset Purchase Agreement; and

WHEREAS, Assignee desires to acquire from Assignor all of Assignor's right, title and interest in the Acquired Intellectual Property, including without limitation those set forth on Exhibit A attached hereto and incorporated herein by reference.

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the parties agree as follows:

AGREEMENT

1. Assignment.

1.1 Assignor hereby irrevocably assigns, conveys, otherwise transfers and agrees to transfer to Assignee, and its respective successors and assigns, all right, title and interest worldwide in and to the Acquired Intellectual Property, including, without limitation, those items described on Exhibit A, and all proprietary rights therein, including, without limitation, all copyrights, trademarks and their associated good will, patents, trade secret rights, moral rights and other intellectual property rights, all contract and licensing rights, all applications and registrations, any and all divisional, continuation, continuation-in-part, reexamination, reissue, foreign and other applications and registrations claiming priority to any application or registration described or listed herein, and any and all inventions disclosed within any of the applications or registrations described or listed herein, and all claims and causes of action of respect to any of the foregoing, whether now in existence or hereafter to come into existence.

1.2 If Assignor has any rights to the Acquired Intellectual Property that cannot be assigned as described above including, without limitation, any moral rights or the equivalent thereof, Assignor agrees to waive enforcement world-wide of such rights against Assignee, its officers, directors, stockholders, agents and employees. If Assignor has any rights to the Acquired Intellectual Property that cannot be assigned or waived as described above, Assignor hereby grants and agrees to grant to Assignee an exclusive, irrevocable, fully paid-up, and royalty free license, in perpetuity and world-wide, to fully exercise such rights, including rights to sublicense through multiple tiers of sublicenses. These rights are assignable by Assignee.

2. Assistance. In the event that terms herein are contrary or contradict the terms in the Asset Purchase Agreement, the terms of the Asset Purchase Agreement shall control. This Agreement may be executed in any number of identical counterparts, each of which shall be deemed an original, but all of which when taken together, shall constitute one and the same instrument. No modification or waiver of any provision in this Agreement will be effective unless made in writing signed by Assignor and Assignee.
